Kirin: Chinese Learn Online lesson 180 .

Hello everyone , I'm Kirin .

Raphael: Hello everyone , I'm Raphael .

Kirin: Welcome to Taiwan and our progressive course teaching Chinese . Today we are going to continue our review dialogues for level 3 of our course , as well this lesson is also the last lesson of level three .

Raphael: Wow, let's listen to today's first dialogue at normal speed .

Cindy: Can you go with me to the electronics store tomorrow ? I need to buy a new computer .

Yann: Of course I can . But why do you need me to go with you ?

Cindy: Because I don't really understand things to do with computers . So I hope you can recommend some better brands to me .

Yann: But the storekeeper can also answer your questions .

Cindy: You're right , but I don't really believe what they say . Because sometimes they , only want to sell you the products that make them the most money .

Yann: Then you should go to a place with better service . Since if what you buy develops a problem , if you have to return it , that's also simpler .

Cindy: I hope that if I buy a better quality computer , such a problem won't happen .

Yann: So how much money do you want to spend ?

Cindy: I'm not sure yet , since I don't know what the price of better quality computers are .

Yann: Did you know ? In some places you can haggle over the price .

Cindy: In this case , I'd be very happy that you're by my side , since I don't know how to haggle prices .

Yann: Don't worry . I'll haggle a good price for you . You can then use the left over money , to treat me to a big meal .

Cindy: Hmm, that sounds fair . So let's meet tomorrow then .

Raphael: Let's listen again to today's first dialogue at a slower speed .

Yann: They are to give to my mom . Today's her birthday .  
Cindy: She'll definitely like these flowers , since they smell great .  
Yann: Thanks . These are her favorite kind of flowers .  
Cindy: So do you have any special plans to celebrate her birthday ?  
Yann: Yes I do . I invited some of her friends to our house , as well I will also go to a  
bakery to buy a cake .  
Cindy: Oh ? What flavor of cake do you want to buy ?  
Yann: I'm wondering whether buying a chocolate flavor would be better , or a fruit one .  
Cindy: These two flavors are both pretty good . So will there be many guests going to  
your house ?  
Yann: Yes, since some of the adults will bring their kids , so I have to think of an  
activity for the kids to play . Since my mom can't stand kids running about .
