Kirin: Chinese Learn Online lesson 232 .

Hello everyone , I'm Kirin .

Raphael: Hello everyone , I'm Raphael .

Adam: And hello, I'm Adam.

Kirin: Welcome to Taiwan and our progressive course teaching Mandarin Chinese . What are we studying today ?

Raphael: I think everyone remembers that the topic you taught us last lesson was yoga .

Kirin: Right . As well, many of our premium subscribers saw the yoga video that we made . So is today's topic also related to yoga ?

Raphael: Not at all . Actually today's topic is completely different from that of our last class . The topic we are going to discuss today is

Kirin: To quarrel .

Adam: To quarrel or have an argument.

Kirin: Do you remember in our last class we said , when there is a lot of stress, people get angry easily ?

Raphael: I remember . We also said meditation can help people decrease their stress .

Kirin: Now after you have an argument with others , what might you say to them ?

Raphael: Hmm, if it's really my fault , I will say "I'm very sorry " .

Kirin: If it was me , no matter whether it was my fault or not , I would still say I'm sorry . Because I really don't like to argue with others . So do you often argue with others ?

Raphael: Me ? Seldom . Since I have a lot of patience .

Adam: To be patient.

Raphael: Usually when two people are arguing , it might be because they have different personalities . If one of them doesn't have patience, then it's easier for an argument to begin . But how come I heard that you often have arguments with your boyfriend .

Kirin: Please pay attention to what you are saying now . Who told you this ?

Raphael: Don't be so angry . No wonder you often get into arguments .

Kirin: What did you just say ? Forget it . Today's next new word is respect .

Adam: Respect.

Kirin: No wonder you still haven't found a girlfriend . It must be because you don't respect women .

Raphael: Next we have two new words . The first is "My Goodness" .

Adam: "My Goodness."

Raphael: And the second is emotional .

Adam: Emotional.

Kirin: Why do you want to teach these two new words ?

Raphael: So that I can say "My goodness! You are so emotional !"

Kirin: Ok, in that case today's next new word is arrogant .

Adam: Conceited or arrogant.

Raphael: Oh, now you think I'm arrogant ?

Kirin: I don't need to say this, everyone probably knows this already . O, so look everyone , aren't I a patient person !

Raphael: I was just replying to the question you asked me , I'm really not an arrogant person . Fine, forget it . Today's lesson has many useful new words . Let's take a moment to review the new words we taught you today .

You're still angry ? I didn't realize that you were speaking to me so seriously . I'm really very sorry !

Kirin: Why do you feel sorry ?

Raphael: Because I can see that you seem to be angry . As well, since I'm a considerate person , I'm telling you "that I'm very sorry !"

Kirin: You can't just say you're sorry whenever you want . You have to first understand what the mistake you made was !

Raphael: But (if) you didn't do anything wrong , then what can you do ?

Kirin: Fine, since I'm not at all like you , such a patient person , I will tell you now . We are arguing because in the beginning , you mentioned some gossip about me .

Adam: Gossip.

Raphael: I said gossip about you ?

Kirin: You said that you heard that I often fight with my boyfriend , that is gossip . Other people's matters have nothing to do with you .

Raphael: Ok, fine . I now know . Can I continue with today's lesson ?
