Kirin: Chinese Learn Online lesson 257 .

Hello everyone , I am Teacher Yang .

Raphael: Hello everyone , I am Teacher Lai .

Adam: And hello, I'm Adam.

Kirin: Welcome to our learning Chinese course .

Raphael: Two lessons ago , we discussed the subject of emigration . But other than the reason of emigrating , there are other reasons for a person to move to another country . So today's topic is

Kirin: Visa .

Adam: Visa, as in the type you need to visit another country.

Raphael: If you plan to go to another country , you have to first look at that country's visa rules .

Adam: Rules.

Kirin: Rules .

Raphael: Every country's rules towards the visa application aren't quite the same . As well you have to see what the relationship between your country and that country is . Ok, the first type of visa is

Kirin: Tourist visa .

Adam: Tourist visa.

Raphael: Normally, when you go travel to a country for fun , you have to first apply for a tourist visa . Another type of visa that is similar to a tourist visa is

Kirin: Visitor's visa .

Adam: The literal meaning here is “visitor's visa”, which features the word “to pay a visit”.

Kirin: To pay a visit .

Raphael: But when you arrive in a country , sometimes it's for another reason , like studying or looking for work . For these cases we have two other types of visas

Kirin: Student visa .

Adam: Student visa.

Kirin: Work visa .

Adam: Work visa.

Raphael: So when you travel abroad , you have to pay attention to whether the reason you are traveling abroad matches the visa that you applied for . For example, if you don't have a work visa , then you can't work in that country .

As well, you also need to pay attention to the time of your visa . For example when applying for a tourist visa to Taiwan , most of them are for 60 days . If the 60 days are about to finish , then you have to change your visa .

Kirin: Is it easy to change your visa ?

Raphael: That depends on your situation . If they believe the reason that you are staying in that country , they will probably help you change your visa . But if they don't believe you , then you might not be able to continue to stay in that country .

Kirin: So when you want to go to a country , where can you get their visa ?

Raphael: Ah, today's last new word is

Kirin: Embassy .

Adam: Embassy.

Raphael: So before traveling abroad , you have to first look for that country's embassy , and then apply for the correct visa , finally you can successfully travel abroad . Ok, let's take a moment to review the new words taught to you today .
