Kirin: Chinese Learn Online lesson 271 .

Hello everyone , I am Teacher Yang .

Raphael: Hello everyone , I am Teacher Lai .

Adam: And hello, I'm Adam.

Kirin: Welcome to our learning Chinese course .

Raphael: Today we are going to discuss a very interesting subject

Kirin: Jewelry .

Adam: Jewelry.

Raphael: There are many types of jewelry, for example

Kirin: Necklace .

Adam: Necklace.

Kirin: Earrings .

Adam: Earrings.

Kirin: Rings .

Adam: Rings.

Raphael: From these jewelry types , which do you prefer to wear ?

Kirin: That depends on the situation . For example if I go to a party , I might choose to wear a necklace and earrings . After marriage, I'll of course wear a ring .

Raphael: So why is it that the prices of some types of jewelry are very high ?

Kirin: That's because the quality is different . For example if the jewelry you purchase is made of plastic , the price will of course be a lot cheaper .

Raphael: So if a man buys very expensive and very good quality jewelry to give to a woman , will the woman like him better ?

Kirin: That depends . If the man isn't a good person , it doesn't matter how expensive the jewelry is that he gives to women , the women will probably still not like him .

Raphael: Oh, really ? In that case, today's next new word is ... to waste .

Adam: To waste.

Kirin: Why did you suddenly say the word "to waste" ?

Raphael: Because in the past, I spent a lot of money buying jewelry for women .

Kirin: I don't understand . Why are you giving jewelry to women ?

Raphael: Because in the past, I would always give expensive jewelry to women who I thought were nice , hoping that after receiving these gifts, they would like me more .

Kirin: And how did that work out ?

Raphael: When they first received the gifts, they were all quite happy . But later, I would slowly lose contact with them .

Kirin: Don't be so sad . You should forget about what happened in the past ! Let's look at today's next new word ... to be worth it .

Adam: To be worth it.

Raphael: Hmm, buying too much jewelry to give to people that you just met is definitely not worth it .

Kirin: I think it would be more worth it to take the money that you spent on jewelry and spend it on your own self .

Raphael: Right, I think so too . Let's take a look at some better quality jewelry .

Kirin: Gold .

Adam: Gold.

Kirin: Silver .

Adam: Silver.

Kirin: Diamond .

Raphael: Normally, people who are getting ready for marriage pay more attention to these types of jewelry , and will spend a lot of time to choose the types they like . Ok, let's take a moment to review the new words taught to you today .
