jiāoào	骄傲 / 驕傲	arrogant

2. Note the usage of **cāi de dào** and **cāi bú dào** .

cāi de dào	猜得到 / 猜得到	to guess
cāi bú dào	猜不到 / 猜不到	not be able to guess

a. Wǒ jiù bù xiāngxìn nǐ cāi de dào

我就不相信你猜得到 / 我就不相信你猜得到

I don't believe you can guess what it is

b. Kěshì wǒ juéde nǐ háishì cāi bú dào .

可是我觉得你还是猜不到 / 可是我覺得你還是猜不到.

But I think you still won't guess it .

3. These lessons on games are a great way to observe some more natural speech between the speakers, in this case, the playful banter that may occur when two people are competing against each other.
