Raphael: Ok, let's first listen to the content of the letter at a normal speed .

Kirin: Dear husband, hello . It's already been more than one week since I have seen you . I really wish my business trip would end soon . I really miss you so much . Paris is a very romantic place . Every day I see many couples holding hands on the streets while shopping and going for walks , which makes me miss your hugs and kisses . But that's ok , I feel the situation we have right now is good for us . This way I have more time to think about why you are my baby . Next time, if there's an opportunity , I hope you can come with me to Paris . Otherwise I won't be able to focus on work . I hope that during the time I'm not by your side , you are doing well . Don't forget to write back to me .  
Sincerely, your wife .
