Kirin: Chinese Learn Online lesson 315 .

Hello everyone , I am Teacher Yang .

Raphael: Hello everyone , I am Teacher Lai .

Adam: And hello, I'm Adam.

Kirin: Welcome to our learning Chinese course .

Raphael: In today's lesson , we are going to continue discussing the subject of raising kids .
When kids are still young , What annoys parents the most ?

Kirin: Control .

Adam: To control.

Raphael: Right . When kids are very small , it is hard to control their behaviour . Since they don't quite understand what adults are saying . Now what do kids like to play with ?

Kirin: Toys .

Adam: Toys.

Raphael: Right . Now do you think toys for kids are good or bad ?

Kirin: I think it's good . Since good toys can help them learn something while playing . Such as colors, numbers, reading characters etc .

Raphael: It is also a good way to communicate with other kids . Now when you were young , what was your favorite toy to play with ?

Kirin: Hmmn, I think it was a doll .

Adam: Doll.

Raphael: Hmm, most girls liked to play with dolls when they were young . Why is that ?

Kirin: If the doll is like a beautiful woman , we can imagine that after we grow up , we can be as beautiful as the doll . If the doll is a child , we can imagine that we are the doll's mother , taking care of them . Now what toys do you men like to play with ?

Raphael: Nowadays the most popular toy is probably computer and video games . So what is the bad side of toys ?

Kirin: Hmm, I think if a child always plays with the same toy, this might not be very good . Like some computer games .

Raphael: Ah, so at this time , what do parents hope their children will do with their toys ?

Kirin: To put away .

Adam: To put away.

Raphael: But most of the time, kids won't do that . So normally children take their toys and toss them around all over the house . Now other than playing toys , some kids also like to watch television or movies . Now if they spend too much time watching television , what do parents do to the television ?

Kirin: To turn off .

Adam: To turn off.

Raphael: Right , watching too much television is not good for the eyes . As well this gives children fewer opportunities for exercise .

Kirin: Correct . So when I was young , everyday my mother would make rules to time the different things to do . For example an hour to watch television , an hour to play with toys , one hour for homework etc .

Raphael: This is a great habit for children in their life . Ok, let's take a moment to review the new words taught today .
