Kirin: Chinese Learn Online lesson 348 .

Hello everyone , I am Teacher Yang .

Raphael: Hello everyone , I am Teacher Lai .

Adam: And hello, I'm Adam.

Kirin: Welcome to our learning Chinese course .

Raphael: In today's lesson , we will listen to the conclusion of the stories heard in the last few lessons . Now what is the basic content of the lessons so far ?

Kirin: In the story there is a Chinese woman named Xiaoli , with an American man called Mike . They fell in love in China . But now Mike has to go back to America , so how will the next part of the story develop ? We are going to find out in a moment .

Raphael: That's right . Now before we begin , let's take a look at today's new words .

Kirin: To propose marriage .

Adam: To propose marriage.

Kirin: To promise / agree .

Adam: To promise or agree.

Raphael: After hearing these two new words , I think you can kind of figure out what will happen in today's story . Ok, let's first listen to today's story at a normal speed .

Kirin: Before Mike left China , he bought a ring to give to Xiaoli . He felt that if he got married to Xiaoli , they could move to America today to live their lives there . So one day , he invited Xiaoli to a romantic restaurant to have dinner . After finishing dinner , he proposed to Xiaoli . Mike's sudden proposal to Xiaoli made her very surprised . She had never expected that Mike would have a plan like this . As well, since Mike's method of proposal was quite unique , many guests at the restaurant were quite curious , they all looked at Xiaoli to see what kind of reaction she would have . However Xiaoli began to cry . Mike wasn't very clear whether Xiaoli's reaction was good or bad . A few minutes later , Xiaoli told Mike , although their relationship was very good , she wasn't ready to leave her family just yet , to go live with him overseas .

She then continued , that her days with him were very happy , but now in this situation it would be best if they broke up immediately . She hoped that one day in the future , she would have the opportunity to visit Mike in America . However that was a matter for the future . After hearing Xiaoli's reply , Mike felt disappointed and sad . Since he assumed that Xiaoli would definitely accept his proposal . He never expected that in the end Xiaoli wouldn't agree to his proposal , and would instead end their relationship .

Raphael: Let's listen again to today's story at a slowed down speed .
