Hello everyone , I am Teacher Yang .

Raphael: Hello everyone , I am Teacher Lai .

Adam: And hello, I'm Adam.

Kirin: Welcome to our learning Chinese course .

Raphael: In our last lesson , we listened to an article that discussed the topic of media . In our next two lessons , we are going to listen to another article that discusses other aspects of media . As well, in today's lesson , we are going to hear two new words .

Kirin: Live / At the scene .

Adam: Live or at the scene.

Kirin: Atmosphere / Mood .

Adam: Atmosphere or mood.

Raphael: Let's first listen to today's article at a normal speed .

Kirin: The expansion of technology has had a great influence on media . 100 years ago , people could only get all the news from a newspaper . Later, the radio was invented , which let people hear live broadcasts . Next, the television was invented that let people see live broadcasts with their own eyes , and experience for themselves the live atmosphere . In recent times, the internet has appeared , which has given people even more convenience . When reporters have finished writing the content of their news articles , we can right away go online to read them . As well, in the same website , not only can we hear we can also see live broadcasts . Nowadays, people can even download news from the internet to their mobile phones . This way they can right away know what important things are happening around the world .

Raphael: This is the first part of this article . In our next lesson , we will listen to the next part of this article . Now let's listen again to this article at a slowed down speed .
