Kirin: To share .

Adam: To share.

Raphael: Let's first listen to the article at a normal speed .

Kirin: Many university students take advantage of summer vacation to go traveling by themselves . The advantage of traveling by yourself is that you can organize your own time , and can choose which places to go visit on your own . But before you go traveling on your own , you have to prepare your travel information , and carefully arrange your schedule . Although you have to spend a lot of time preparing for this , it's a good opportunity to study geography and take care of yourself . Many people believe that traveling on your own is cheaper than traveling with a group and is more interesting . One aspect is that it gives you more freedom , and you are not controlled by time , another aspect is that you can have more opportunities to get to know local people , and understand local culture . If you choose to go abroad , you can also learn different

languages . Some people even become writers , by writing books about their travel experiences , and sharing it with many others .

Raphael: Let's listen again to today's article at a slowed down speed .
