Kirin: You're so friendly , I believe your boss and customers will all like you .

Raphael: This man wants to encourage his friend , and not make her feel so nervous , so she compliments her on her friendliness and politeness , and that no matter whether it's the boss or the customers in the restaurant, they will all like her . The woman then says

Kirin: Thank you . How about you ? How are your summer vacation travel plans ? When do you set off ?

Kirin: I plan to set off as soon as summer vacation begins . I've already asked the travel agent to book my plane and train tickets .

Raphael: Since the travel agent has already booked the plane and train tickets for him , the man plans to leave as soon as summer vacation begins . The woman then says

Kirin: Don't forget to take many beautiful pictures for us to see when you get back !

Raphael: Many people, when they travel , take the scenery they see or the local specialities and take pictures of them as souvenirs . So this woman also hopes that while this man is traveling , he can take many pictures to share his travel experiences with her . Ok, let's listen again to this dialogue at a normal speed .
